

Wildwood Cultural Center Room Diagrams and Seating Capacity Information

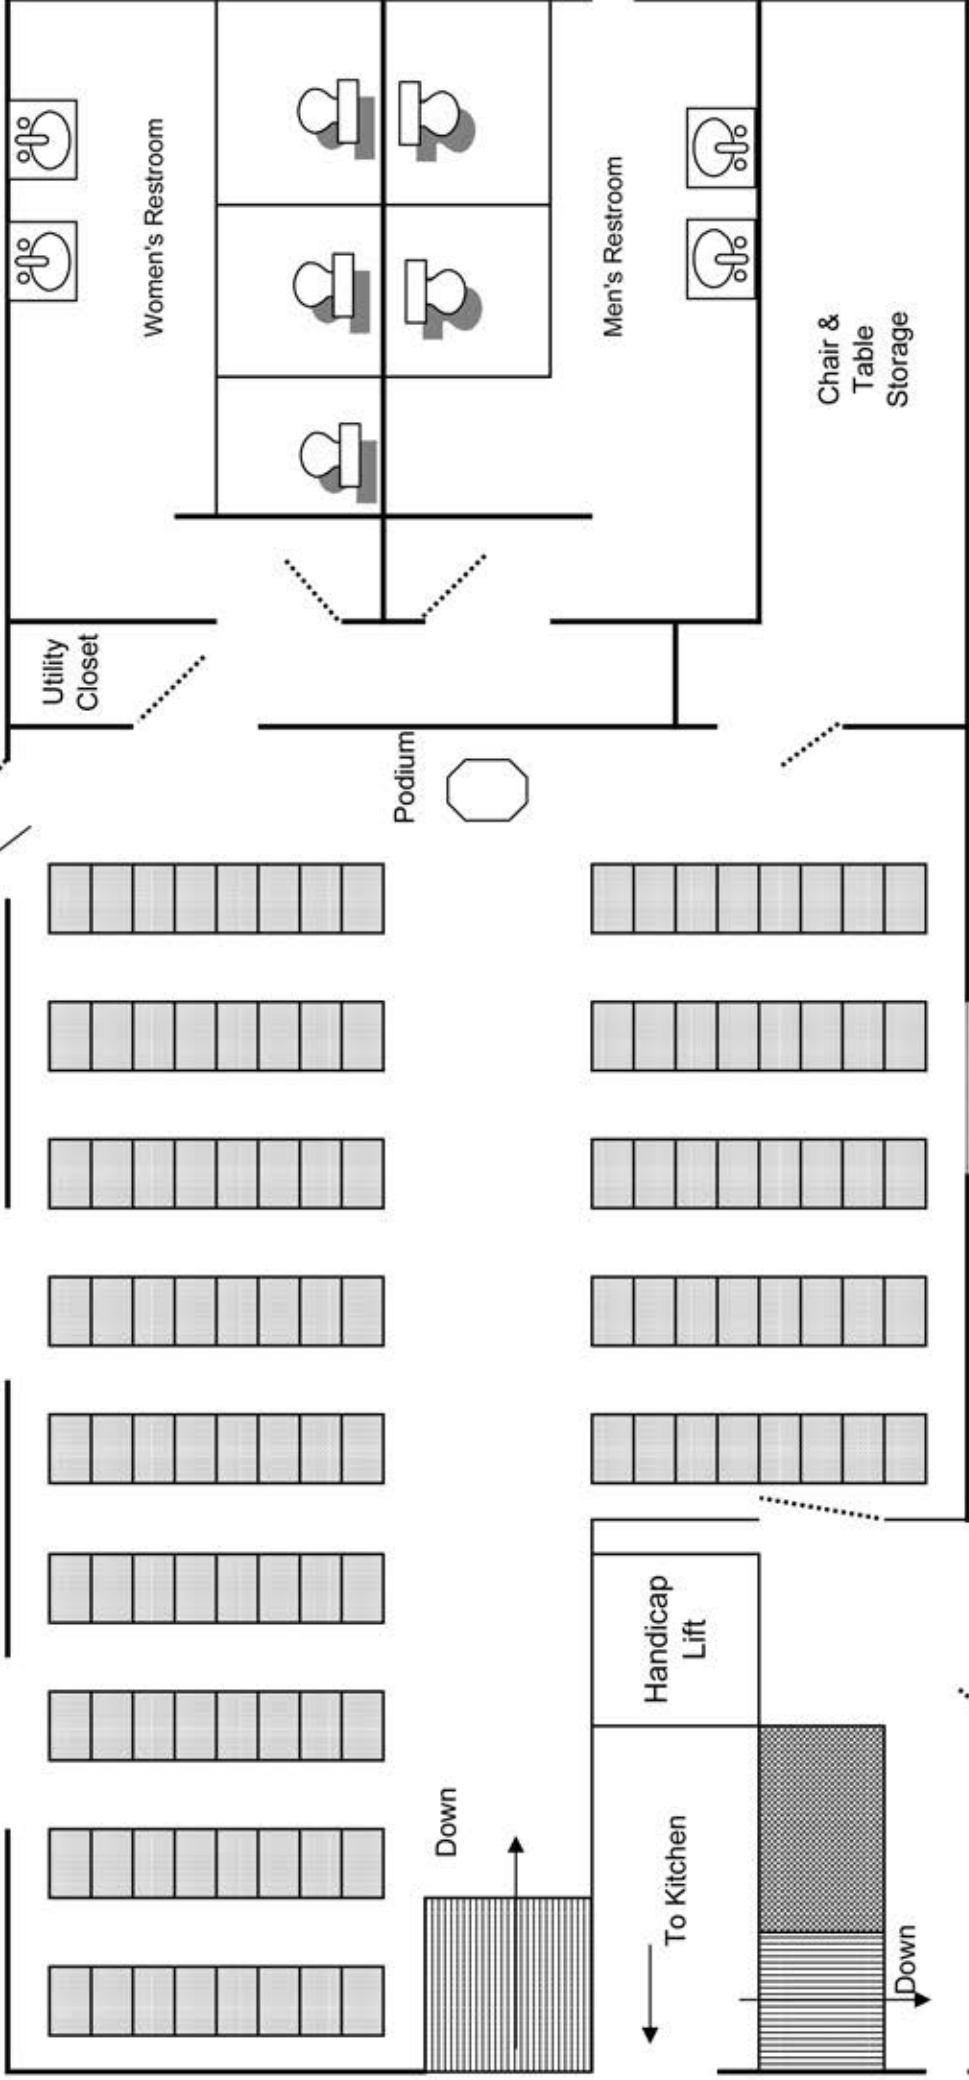

The Wildwood Office Staff has considered the Comfort and Safety of your guests in these diagrams, which show the recommended maximum seating capacity in each room.

Please note the following when planning your event:

1. Room Sizes and table proportions are not to scale.
2. When planning your function, remember to leave enough space to accommodate other table set-ups and the party flow of your guests. The maximum seating as shown **does not** make room allowances for the following:
 - * A cake table, gift table, guest book table or other table set-up;
 - * Bar set-up;
 - * Buffet table set-up;
 - * Band/DJ set-up;
 - * Sufficient space for guests to mingle.
3. Room diagrams are intended to guide you in planning the maximum seating in **each** room. You may mix and match the different diagrams for each room accordingly.
4. To accommodate the arrangement shown in the Front Room and Dining Room, all furniture must be moved. The Piano cannot be moved.
5. As the diagrams show, doors are not, and cannot be blocked by tables or chairs.
6. Tables and chairs for use inside only:

 - (25) 30" x 72" Banquet Tables (6-8 people per table)
