WEDDING PLANNERS

A wedding planner will make your day easier!

A wedding planner works to ensure that your vision is properly (and perfectly!) executed. They will be dedicated to implementing your wishes, needs, budget, and more. So, it's important for you to get to know them! Here are some questions to get the conversation going:

- How long have you been planning weddings?
- How many weddings do you plan per year?
- Do you have a portfolio and references?
- Can you negotiate rates with our vendors?
- Will you handle all aspects of the planning?
- What kind of packages do you offer?
- What kind of wedding day challenges have you handled?
- How often will we talk or meet?
- Will we meet vendors together?
- Will you be there the day of?
