

# Wedding Preparation VIDEOGRAPHY

## Your Day in Motion!

There is so much going on the day of your wedding that you won't get to see. Make sure you don't miss a second of the fun by hiring a videographer.

- How many years have you been a videographer?
- Have you shot a wedding at our ceremony or/and reception locations before?
- How many cameras will you use?
- Will you be the videographer the day-of?
- Will you have an assistant or a second videographer?
- How will we receive our video?
- Will you interview our guests?
- What other shots do you recommend?
- How long will our video be?
- Do you offer a highlight reel that we can share on social media?
